

We are recruiting for the following position (start date negotiable):

Snowboard Halfpipe Coach (80 – 100 %)

Swiss-Ski is one of the largest sports federations in Switzerland, with nearly 100,000 members, around 300 athletes, approximately 250 employees across eleven snow sports disciplines, and around 700 clubs in 12 regional associations.

Times are changing – and so are we! Maintaining our position amongst the world's elite not only calls for exceptional athletes, but a formidable team behind the scenes, too.

Your responsibilities

- Coaching and support of Snowboard Freestyle Halfpipe athletes at World Cup level
- Planning, execution and evaluation of training programs
- Technical and tactical coaching of athletes during training and competition
- Collaboration with the coaching staff and medical team
- Administrative tasks

Your profile

- Passion for snowboarding
- Teamplayer with leadership skills
- Completed coaching education (or willingness to complete it)
- Strong planning and organizational abilities
- Flexible and willing to work irregular hours
- Communication skills in German or English; French is an asset

#swissskiteam – powered by emotions

You can expect a diverse and dynamic working environment that allows you to bring your skills, passion for snow sports and personality to the table, as well as take advantage of numerous benefits.

Interested?

Please email your completed application to Ursina Wittwer, HR Business Partner: hr@swiss-ski.ch. If you have any questions, please contact Christoph Perreten, Head of Freestyle, Freeskiing and SB Freestyle, at christoph.perreten@swiss-ski.ch.

We look forward to receiving your application!
